

SUMMER IS IN FULL SWING

We are happy that the hot days of summer are finally upon us and everyone is taking advantage of the freedom of being out and enjoying the Great Lakes with family and friends.

WE NEED YOUR OPINION...

In the past, we have held a drink contest, but because of covid, we were wondering what the interest would be this year. Please let us know if you would like to participate as a contestant and/or come to taste the drinks. Please send us an email, or call the office to let us know your opinion. Also, in August we usually have the Seafood Fest and would also like to determine the interest in that event. Please let us know if you would like us to continue to hold both of these events. Final decision will be based on if our customers are interested in participating.

LABOR DAY PARTY THEME

Get your costumes, boat decorations and cardboard boat designs ready for our annual Labor Day bash! You can let your imagination run wild with our theme this year...**WILD ANIMAL KINGDOM**. Think any type of animal from any part of the world and have fun! We can't wait to see how creative you get with this party animal theme!

CORNHOLE GAMES

AHC just made some brand new corn hole games for our members and guests. If you are interested in using them, go to the Harbormaster's office to reserve them. Have fun and get a contest going between all the docks!
